

tao::operators::incrementable< T >

tao::operators::decrementable< T >

tao::operators::unit
_steppable< T >

```
graph BT; A[tao::operators::unit< T >] --> B[tao::operators::incrementable< T >]; A --> C[tao::operators::decrementable< T >];
```

The diagram illustrates the relationship between three Tao operators. At the bottom is a box for 'tao::operators::unit< T >' with a light gray background. Two red arrows point from this box to two boxes above it. The left box is 'tao::operators::incrementable< T >' and the right box is 'tao::operators::decrementable< T >'. Both top boxes have white backgrounds and black borders.
